ABOUT FROVI

The trading company behind FROVI.

TMN Trading & Distribution is an independent food trader and exporter based in Heliopolis, Cairo. FROVI is our product brand: one clear place for buyers to start with the products, packs and markets they have in mind.

The range covers five families: Medjool dates, olives and pickles, canned staples, juices and nectars, and frozen vegetables and fruits. Tell us the products, packs and destination you need, and we confirm every detail in a written offer.

HOW TO USE THIS CATALOGUE

1. Each product has a code (for example Z4 or K10). Quote it in your enquiry.
2. Pack sizes listed are the options we can discuss for each product.
3. Use the checklist near the end to mark the products you want.
4. Send the list with your quantities and destination. We reply with a written offer.

Pack images are design concepts. Final packs, net weights and label details are confirmed in the written offer.
